At the outset the Chairman welcomed the gathering and requested Dr. S. Ganesan, Regional Director to present brief about the activities of the IGNOU. The

**1.4: Holding of election to the Managing/Executive Committee of GPRA Resident's Welfare Association:**

The Secretary requested the Area Welfare Officer and President, GPRA to convene meeting and elect the members as early as possible to intimate the same to the Director of Estate, New Delhi and to sort out the grievances of staff residing at GPRA.

The Secretary has requested the Officer-in-Charge, NIOT and Vice Chairman, CGEWCC to extend cooperation for conducting study tour for the children (along with their parents) of GPRA complex after 7<sup>th</sup> May, 2018.

**1.5. Reimbursement of investigation/lab tests prescribed by AMA:** Some of the member departments have mentioned that investigation/lab tests as prescribed by the AMAs are not being reimbursed based on order Dated 14-09-2000. It was decided that since CGHS hospitals are not available in Port Blair, the charges of investigation/lab as prescribed by AMAs may be reimbursed based on CGHS rates for which hospitals/clinics having lab facilities at Port Blair are to be identified and empanelled with the approval of CGHS. Accordingly, all the AMAs have been requested to intimate their willingness for empanelment of private hospitals/AMAs having appropriate medical facilities like x-ray, lab testing etc. for the treatment of central govt. employees and on receipt of willingness matter will be taken up with CGHS.

**1.6. Charging of CGHS rates for central govt. employees by AMA and their renewal:** Based on the willingness received from the 18 AMAs for charging as per the CGHS rates for consultation, treatment, laboratory tests, X-ray etc. for the central government employees and their family members, the clinics of above AMAs were inspected by the Sub Committee for renewal of AMAs and recommended. The renewal letter for the year 2018-19 (from 01-04-2018 to 31-03-2019) have been issued to all 18 AMAs on 25-04-2018, copy enclosed.

As Dr. Vishnuvaardhan Reddy, Amrita Clinic was not available during inspection of clinic by the Sub Committee for appointment of AMAs, his request will be considered in due course.

**1.7: Broadband charges:** The rates of broadband charges and other concessional rates for central govt. departments will be pursued with CGM, BSNL on his arrival from mainland.

**1.8: Entitlement of FSP:** On receipt of representation from Shri Lathish, Fishery Survey of India (FSI), matter will be taken up with the concerned authorities regarding eligibility of LTC and FSP for central govt. employees.

**1.9: Attendance in the monthly meeting:** It has been observed that attendance in the monthly meeting is very poor i.e. almost 1/3<sup>rd</sup> of the total members offices. It is requested to all the member offices to send at least their representative in case HoDs are busy with their official commitments as this is the only forum wherein all the issues/matters pertaining to central govt. employees can be discussed and appropriate favourable action be taken with the help of higher authorities. It was also decided to write all the HoDs to permit any staff who want to attend the meeting and express their grievances for redressal.
